Bukkapatna State Forest was notified in Government Order No.204-Ft-F.38-35 dated 22nd Dec 1900. Kind reference is invited to my letter of even No. dated 12-6-52. Granting the right of way to the P.W.D. staff for repairs and maintenance of the channel, no other rights are involved and the question of leasing out the area to the P.W.D. does not therefore arise. As such it is not necessary to consult the department of public Health in the matter.

Sir,

Sub:-Opening of a feeder channel to Bukkapatna Taluk and releasing of forest lands.

Ref:-Your letter No.AFD 116 DAR 57 dated 4-5-1957 and this office letter of even number dated 8-10-1958.

In enclosing this office file No.M2-21-218/53 (pages 1- 29) and a copy of Government notification No.394-Ft-F-38-95 dated 22-12-1900 constituting Bukkapatna State Forest, I write to state that as a measure of famine relief the public Works Department opened out a feeder channel to Bukkapatna Taluk in Tumkur District running to a length of 2 miles and 55 feet wide in Bukkapatna State Forest. As the work had to be carried out on a rush basis, the Public Wofks Department was permitted to take up the work by the District Forest Officer, Tumkur in anticipation of sanction. In view of this, Government was addressed under this office letter No.M1-25-218/53 dated 12-6-1953 (page 23) to ratify the action taken in this behalf. Orders of Government are awaited on this point.

V.G.

The total area involved in this connection is approximately 16 acres the channel being 55' wide and 2 miles long, which is too small an area for disforestation. Excepting the right of way to the Public Works Department staff for repairing and maintenance of the channel no other rights are involved and the opening of the feeder channel does not also interfere with any rights and privileges vested at the time of settlement of the State Forest. In the circumstances orders of Government permitting the Public Works Department to enter the State Forest for the maintenance of the feeder channel may also be issued. The case papers may kindly be returned when done with.

Yours faithfully,
